

The Federal Communications Commission

Dear The Federal Communications Commission,

Dear Sirf: Please reject a flat fee proposal that would change how contributions are made to the Universal Service Fund. I am a senior on a fixed income. This proposal could make my current service unaffordable.

I use my cell phone for safety, security and convenience. I don't want to lose these benefits so that big businesses can pay less than their fair share. Please reject the proposal to move the USF collection system to a flat-fee.

Keep the USF Fair!

Sincerely

Roland Burns 8 Harmony Drive
